## Modern Series DLP Smart Panel

HDL-MPL8,46-A

### Sleek and smart design

DLP Smart is characterized by a high-quality glass front and ten metallic buttons. The blend of glass and aluminum is perfect for DLP Smart's modern and versatile look. Each button can be pressed in 8 different ways, with button status indication. With one DLP Smart in hand, you can even control a whole house, including lighting, security, curtains, HVAC, floor heating, background music, etc.

## Modern Series DLP Smart Panel

HDL-MPL8.46-A

With DLP Smart, your home is perfectly in sync with intelligent technologies.

The metallic luster adds harmonious connection to your home devices.
